

Silverstage 2019 Registration and Information:

On Saturday, February 16th 2019, Monona Grove High School will be hosting their 18th annual "Silverstage Invitational."

Many directors and parents praised the success of our last competitions. The combination of our beautiful school and having the "best sound system we've heard at a competition," all attributed to the success. Monona is a city connected with Madison, Wisconsin. It would be great to make a weekend out of it and enjoy our beautiful city

We will be accepting only a few show choirs, and reservations will be filled on a first come first serve basis. **The entry fee for Middle School is \$75.00 , High School is \$300.00 and soloist fees are \$20.00 per soloist.**

We look forward to seeing many types of show choirs and having a day in which we come together to share and learn! Have a wonderful summer!
